

**ADVANCED STANDING COURSES** As a high school student, you can earn college credit and save money on college tuition with Northwood Tech Advanced Standing courses. The cost per credit is approximately \$160, which means substantial savings in tuition when you enroll in a program at Northwood Tech or some other Wisconsin Technical Colleges (dependent on program requirements). Below is a listing of Advanced Standing courses currently offered at area high schools.

Determine your course load and calculate the savings! **[Example: Applied Math (2 credits) + Personal Finance (3 credits) = \$800 approx savings]**

**CLUSTER KEY**

<b>Ag</b>	Agriculture, Food & Natural Resources
<b>Arch</b>	Architecture & Construction
<b>Bus</b>	Business, Management & Administration
<b>Ed</b>	Education & Training
<b>Fin</b>	Finance
<b>HS</b>	Health Science
<b>IT</b>	Information Technology
