Which Nursing Track is Best for Me?	Traditional	Part Time
I want to be in an accredited nursing program.	✓	✓
I have successfully completed nursing assistant and chemistry.	✓	✓
I have successfully completed most or all required General Studies courses for the ADN program.	✓	
I have not started the required General Studies coursework for the ADN program.		✓
I learn best through in-person lectures at scheduled times.	✓	
I learn best through flexible learning options, being able to do my coursework when it fits best for me (nights and weekends, for example).		✓
I rely on public transportation, or I do not have reliable transportation.	✓	
Smaller class sizes work best for my learning.		✓
I could benefit from being provided a laptop to use for my education.		✓
I plan to work part time while attending school.		✓
I just graduated high school.		✓
I am a current nursing student who wants to take a semester/year away from the full-time program, but I intend to complete as a full-time student.	✓	
I have already completed some nursing (543) core courses.	✓
